

Gainful Employment  
2007-2008

The following information is specific to this NYU certificate program. The data is based on those who completed the course requirements between July 1, 2007 and June 30, 2008 (the most recent information available).

If fewer than 10 students completed the program in the 2007-2008 year, some information is not listed, per guidance from the Department of Education.

Job placement information will be available pending the Department of Education's analysis and completion of methodology.
